

INDEKS FIRMI I USTANOVA 2020

INDEX OF COMPANIES 2020

Firme i ustanove u INDEKSU poredane su po abecednom redu. Iza naziva firme/ustanove, rimski broj označava pripadnost grupaciji i to: I – proizvodnja polimera, boja, premaza i lepila; II – prerada i promet plastike; III – prerada i promet gume; IV – trgovina, zastupanje, usluge, obrazovanje, NIO. Iza rimskog broja je broj u zagradi, koji označava redni broj u REGISTRU FIRMI I USTANOVA. Poslednji broj označava broj stranice na kojoj se nalazi firma u ADRESARU.

Companies in INDEX are sorted from A to Z. Behind the name of the company, first number declares the group, i.e.: I – Production of polymers, paints, coatings and adhesives; II – Processing and trade of plastics; III – Processing and trade of rubber; IV – Trading, representatives, services, education and research. The next number (in bracket) declares number in series from LIST OF COMPANIES. The last number shows the page number in ADDRESS BOOK at which the company data are presented.
